

Foster a spirit of collaboration and communication between all stakeholders in the procurement network with the Consol Collaborate dashboard. Transcending the traditional Vendor Management System (VMS), Consol helps companies increase user adoption rates by making it easy for multiple global divisions to communicate and share information. This completely configurable user interface conveys important program, company and industry news and messages at-a-glance, facilitates surveys and discussions, and instantly connects users to the program help desk.

The screenshot shows the Consol Collaborate dashboard with a green header and navigation tabs: Collaborate, Transact, Analyze, Help. The main content area includes a 'New York, NY' weather widget (75°F), a 'Daily Prices' stock chart for MSFT, and a table of stock prices for Dow Jones, S&P 500, Microsoft, Google, Apple, Amazon, and HP. Other widgets include 'What's Happening - News', 'Discussion Board', and 'My Open Tickets'.

## CONFIGURABLE DASHBOARD ELEMENTS

Select from a list of approximately 20 different elements such as gauges, charts, stock quotes, weather, global currency, global clock, and heat maps to customize your Collaborate user experience.

## NEWS, INFORMATION AND PROGRAM CALENDAR

Communicate company, industry, and program-specific information to all community members - right from the dashboard. The program events calendar acts as one central location for all user training, system updates, scheduled maintenance, and more. Easily export any calendar items right to your personal calendar. Users will always have key program contact information available at-a-glance. Available resources such as retirees and freelancers can be tracked and easily communicated with to see if they are interested in coming on for an engagement. The advanced skill set match lets you quickly find available resources in your network based on location and desired skills.

The screenshot shows the 'Program Event Calendar' interface. It features a monthly calendar view for September 2011 with several events marked. A detailed view of an event on September 28, 2011, is shown, including a title 'New Hire Orientation', a description, and a list of attendees. The interface includes navigation tabs and various tool icons.

## SURVEYS & POLLING

Share best practices throughout your network. Let hiring managers and on-site coordinators create on-the-fly surveys through Consol's polling tool to gather immediate feedback. Whether polling the community to see which suppliers have provided great resources in a certain job skill set, asking what the best days for training might be, or asking a group of users to rate their impression of a new system feature, the survey tool makes it easy to create, launch and chart results for any question set.

The screenshot shows the Consol Surveys tool interface. At the top, there's a navigation bar with 'Program Blog', 'Discussion Board', 'Surveys', 'Program Event Calendar', 'Document Center', and 'Program Help Desk'. The 'Surveys' tab is active. Below the navigation bar, there are 'Finish' and 'Cancel' buttons. The main content area contains a survey form with the following questions:

- Please indicate your activity level within the procurement program \***
  - 1. Hiring Manager
  - 2. Department Manager
  - 3. Executive
  - 4. Procurement Lead
  - 5. Other
- Rate your satisfaction with the program team coordinators \***
  - 1. Very Satisfied
  - 2. Satisfied
  - 3. Neither
  - 4. Unsatisfied
  - 5. Very Unsatisfied
- Rate your satisfaction with the speed at which your help desk tickets are addressed \***
  - 1. Very Satisfied
  - 2. Satisfied
  - 3. Neither
  - 4. Unsatisfied
  - 5. Very Unsatisfied

Below the survey form, a bar chart displays the results for the first question: 'Please indicate your activity level within the procurement program'. The chart shows the following data:

Activity Level	Percentage
1. Hiring Manager	4 (50%)
2. Department Manager	0 (0%)
3. Executive	2 (25%)
4. Procurement Lead	0 (0%)
5. Other	2 (25%)
<b>Total:</b>	<b>8</b>

## BLOGS & DISCUSSION BOARDS

Your services procurement community is its own social network. Post and manage discussion threads, chat with peers about projects and suppliers, share success stories with the entire global network to bring everyone closer together.

The screenshot shows the Consol Discussion Board interface. At the top, there's a navigation bar with 'Program Blog', 'Discussion Board', 'Surveys', 'Program Event Calendar', and 'Document Center'. The 'Discussion Board' tab is active. Below the navigation bar, there are 'Posted By' and 'Post' labels. The main content area shows a thread of posts:

 Hi,  
 I've heard mixed reviews about Glacier Temp Suppliers. Anyone ever use them and how did turn out?  
 Thx
- Posted: 8/8/2011 6:10 PM**  
 I use them regularly and have had great success! Feel free to call me if you want to talk about my experience.

At the bottom, there's a link to 'Show Quoted Messages'.

## HELP DESK

Issue help desk tickets and view any open items right from your Consol Collaborate dashboard. Track the progress of each ticket as it unfolds, and receive an update when the issue is resolved/closed. Have full visibility into your open and resolved issues in the help ticket dashboard.

The screenshot shows the 'Program Help Desk - New Item' form. At the top, there's a navigation bar with 'Program Blog', 'Discussion Board', 'Surveys', 'Program Event Calendar', 'Document Center', and 'Program Help Desk'. The 'Program Help Desk' tab is active. Below the navigation bar, there are 'Save', 'Cancel', 'Paste', 'Cut', 'Copy', 'Attach File', and 'Spelling' buttons. The main content area contains a form with the following fields:

- Title \***
- Assigned To**
- Issue Status**: Active
- Priority**: (2) Normal
- Description**
- Category**
- Related Issues**:
  - 11 - Hiring manager profile upd
  - 12 - Template update
  - 13 - Need new Job Title Added
  - 13 - Extend assignment on cont
  - 14 - Contractor password reset
- Comments**
- Due Date**: 12 AM 00
- Resolution**

The screenshot shows the 'Program Help Desk' dashboard. At the top, there's a navigation bar with 'Program Blog', 'Discussion Board', 'Surveys', 'Program Event Calendar', 'Document Center', and 'Program Help Desk'. The 'Program Help Desk' tab is active. Below the navigation bar, there are 'Dashboard', 'My Issues', 'My Reports', 'Open Issues', and 'Closed Issues' buttons. The 'Dashboard' button is active. The main content area shows a dashboard with the following sections:

- Issues By Category**: A pie chart showing the distribution of issues by category.
- Issues By Status**: A pie chart showing the distribution of issues by status (Active, Closed).
- Issues By Priority**: A pie chart showing the distribution of issues by priority (High, Normal).
